NOTICE TO PERSONS INTENDING TO VISIT THE TRANSVAAL OR ORANGE RIVER COLONY.

PUBLIC NOTICE is hereby given that permits to enter the Transvaal or Orange River Colony are still required, except by persons exempted in the terms of the Ordinance quoted below. Such permits are issued at all Coast Ports in British South Africa, at Bulawayo and at Lorenzo Marquez.

Persons about to visit the New Colonies are advised, in order to save themselves delay and disappointment, to forward their application for permits at least one week before their departure, in order that the permits may be ready for them when they land.

Applications should, in the case of British subjects, be addressed to the Permit Secretary at the intended port of disembarkation.

Foreigners should make application through their Consular representatives.

Persons proceeding *via* Delagoa Bay should address their applications to H. B. M. Consul-General, Lorenzo Marquez.

Application Forms are obtainable at the Department of the Secretary of State, Ottawa.

The following extract from the Peace Preservation Ordinance, Transvaal, is published for information. The terms of the Peace Preservation Ordinance, Orange River Colony, Sections 19 to 23, are *mutatis mutandis* identical:—

"19.—After the date of this Ordinance no person shall enter this Colony without a permit granted under the terms of this Ordinance unless—

- (a.) He was resident and within this Colony or the Orange River Colony on the 31st May, 1902, and has not since that date been expelled from or ordered to leave this Colony or the Orange River Colony.
- (b.) He has since the 31st May, 1902, and before the date of this Ordinance received a permit or other formal authorization to enter this Colony from some duly constituted authority.
- (c.) He is a person coming within the provisions of Article 2 of the Terms of Surrender signed at Pretoria on the 31st May, 1902, and published in the "Gazette Extraordinary" dated 3rd June, 1902.
- (d.) He is a person employed in His Majesty's Navy or Military Service, or in the Civil Service or in any Police Force of this Colony or the Orange River Colony.

"20.—Permits to enter the Colony under this Ordinance shall be granted by such persons as may be authorised to do so by the Governor, and shall be in such form as the Governor may direct.

No such permit shall be granted to any person who having been a Burgher of the South African Republic or the Orange Free State has not taken the Oath of Allegiance to His Majesty, or made some declaration of equivalent import in form approved by the Governor. In all other cases it shall be in the discretion of the Governor to grant or refuse any permit.

"21.—It shall be lawful for the Colonial Secretary, if he has reason to believe that any person is residing or sojourning in this Colony having entered it without proper authority, to give notice thereof to any

Resident Magistrate, and such Magistrate shall thereupon summons such person to appear before him, and if such person fails to satisfy the Magistrate that he has obtained a permit under this Ordinance or is exempt under the provisions of Section 19 from obtaining such permit, the Magistrate shall make a written order directing such person to leave the Colony within seven days, unless before the expiration of that time he has received permission in writing from the Colonial Secretary to remain in the Colony; such permission shall have the same effect as a permit granted under this Ordinance.

"22.—(1) If any person in whose case such order has been made is found within the Colony after the expiration of seven days after service of such order without having obtained permission from the Colonial Secretary as aforesaid, he may be arrested and brought before a Magistrate, and shall upon conviction be imprisoned for a period of not less than one month and not more than six months and with or without a fine not exceeding £500, and in default of payment to a further term of imprisonment not exceeding six months.

(2) If any person imprisoned under the terms of the preceding sub-section shall remain in the Colony for a period of more than seven days after the expiration of his term of imprisonment or any subsequent term of imprisonment inflicted under this Section, without obtaining permission in writing from the Colonial Secretary to remain in the Colony, he may be arrested and brought before a Magistrate, and shall on conviction be imprisoned with or without hard labour for a period of not less than six months and not more than twelve months and with or without a fine not exceeding £500, and in default of payment to a further term of imprisonment not exceeding six months.

"23.—Any person entering this Colony on a permit not issued to him by proper authority or obtained by him by any fraudulent means shall be liable to imprisonment with or without hard labour for a period not exceeding two years, or to a fine not exceeding £500, or to both such imprisonment and fine."

JOSEPH POPE,

Under-Secretary of State.

CIRCULAR.

DOWNING STREET,

31st October, 1902.

SIR,—I have the honour to inform you that I have learnt from the Foreign Office that His Majesty's Chargé d' Affaires at Rome has reported that applications are being received at the British Embassy from various British Colonial subjects, arriving in Italy for purposes of study, who having left their Colony in ignorance of the new regulations with regard to entry without payment to the national museums, galleries, excavations and monuments of Italy, are not furnished with the necessary academic document upon which free passes are granted.

2. I transmit, therefore, for your information and for such publication as may be considered desirable, a copy of a notice recently issued from the Foreign Office giving the substance of the law passed in April last in so far as it affects foreigners coming to Italy for purposes of study.

I have the honour to be, Sir,

Your most obedient, humble servant,

J. CHAMBERLAIN.

The Officer Administering
the Government of Canada.

Enclosure to Circular dated 1st November, 1902.

His Majesty's Chargé d' Affaires at Rome has sent to the Foreign Office the law regulating entry, without payment of the ordinary fee, to the national museums, galleries, excavations and monuments of Italy, which has been approved by the Royal Decree of the 13th April, 1902.

The privilege of free entry is by the law accorded to foreigners who are—

(a.) Artists.

(b.) Art students and art critics who have issued noteworthy publications.

(c.) Professors of archaeology, history, literature and art.

(d.) Pupils of archaeological, historical and art institutions; students in the departments of literature and philosophy, and in schools of practical engineering.

Applications for a general permit for free entry to all museums, &c., must be sent to the Ministry of Public Instruction on stamped paper of 1 lira 20 c., with an unmounted photograph (of the applicant) not to exceed 5 centim. by 8 in size.

Applications for free entry to archaeological and artistic institutes in a single town must be sent on stamped paper of 60 centimes to one of the heads of the institutes; and if the permit is required for more than a month, a photograph must be sent of the size mentioned in the preceding paragraph.

The applications must be accompanied by the following documents:—

For persons under (a) and (c), by an academical document *visé* by the Italian Diplomatic Representative or Consul in the country to which the applicant belongs, or by the Diplomatic Representative of that country in Italy.

For persons under (b), by one of the publications which they have published.

For persons under (d), by an official document showing that they stand on the books of the institutions, mentioned under that heading, for the year in which they apply. The document must be *visé* as in the case of the documents furnished by persons under (a) and (c).

As His Majesty's Diplomatic Representative at Rome is not always in a position to authenticate without previous inquiry documents issued by institutions in the United Kingdom, art students, &c., are recommended to have such documents countersigned by the Italian Consular officers in this country before leaving.

Foreign Office, June 17th, 1902.

PERMITS TO ENTER THE TRANSVAAL OR ORANGE RIVER COLONY.

PUBLIC NOTICE is hereby given that henceforth permits to enter the Transvaal or Orange River Colony will be issued only at South African ports. Persons wishing to proceed to those Colonies should, therefore, apply for permits to the Permit Office at the port at which they propose to land. Such permits may be refused, and in order to avoid disappointment and delay it is suggested that persons about to proceed thither should ascertain, before sailing for South Africa, from the Permit Office at the port of landing whether permits will be granted to them. Under the Peace Preservation Order now in force in the Transvaal and Orange River Colony, persons entering those Colonies without permits may be ordered to leave, and if such order is not obeyed within a certain time, they are liable to fine and imprisonment.

JOSEPH POPE,

Under-Secretary of State.

Ottawa, 3rd December, 1902.

HENRI G. JOLY DE LOTBINIERE.

CANADA.

PROVINCE OF BRITISH COLUMBIA.

EDWARD VII., by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions Beyond the Seas, KING, Defender of the Faith, &c., &c., &c.

To all to whom these presents shall come.—GREETING.

D. M. EBERTS, } **W**HEREAS it is provided by section 3 of chapter 29 of the *Attorney-General.* } Statutes of 1902, being the "Grand Forks and Columbia Amalgamation Act, 1902," that it shall be lawful for the Lieutenant-Governor in Council forthwith after the passing of said Act, by Letters Patent under the Great Seal, to incorporate into a City, under the name of "The Corporation of the City of Grand Forks," all the lands at the passing of said Act comprised within the corporate limits of the Cities of Columbia and Grand Forks; that, save as in said Act provided, such Letters Patent shall have the same force and effect as Letters Patent issued under the provisions and after compliance with all the formalities of chapter 143 of the Revised Statutes of British Columbia and amendments thereto, notwithstanding that such formalities have not been observed or are inapplicable; and that the said Letters Patent shall fix the first day of January, 1903, as the date of such incorporation:

And whereas the Honourable Sir HENRI GUSTAVE JOLY DE LOTBINIERE, Lieutenant-Governor of Our Province of British Columbia, by and with the advice of the Executive Council, under and by virtue of the powers and authority conferred upon him by the said Acts, and of all other powers and authority him in that behalf enabling, hath ordered that all those parcels or tracts of land on the twenty-second day of April, 1902, comprised within the corporate limits of the Cities of Columbia and Grand Forks, and the inhabitants thereof, shall, on, from and after the first day of January, 1903, be incorporated as a City Municipality, and hath made further provision to the tenor and effect hereinafter appearing:

NOW KNOW YE, that by these presents WE do hereby order and proclaim that the said parcels or tracts of land, and the inhabitants thereof, shall, on, from and after the first day of January, 1903, be incorporated as a City Municipality, under the name of "The Corporation of the City of Grand Forks," under and subject to the provisions of the said Acts and under and subject to the provisions hereinafter contained or referred to.

The Council of the said new Municipality shall consist for the period of two years after incorporation, of a Mayor and six Aldermen; two Aldermen to be elected from each of the wards mentioned in paragraph 11 in Schedule A of said Chapter 29; four members of said Council shall constitute a quorum, and after the expiration of said period the said Council shall be subject, as to number and representation, to the provisions of the "Municipal Clauses Act" and amendments.

The nomination for the first election of a Mayor and Aldermen shall be held in the building in which the Clerk of the existing City of Grand Forks has his office as such Clerk, on the fifteenth day of January, 1903, from twelve o'clock noon until two o'clock P. M., and the polling (if any) shall be at said building on the twenty-second day of January, 1903, and shall continue for one day only, and the polls shall be kept open between the hours of nine o'clock A. M. and half-past seven o'clock P. M., and Ernest Miller, of the said City of Grand Forks, Esquire, shall be the Returning Officer, and William B. Bower, of the said City of Grand Forks, Esquire, John Aylmer McCallum, of the said City of Columbia, Esquire, and H. C. Kerman, Esquire, shall be Deputy Returning Officers thereat.

The persons entitled to vote at said election shall be the persons whose names appear on the voters' lists prepared under the provisions of section 25 and following sections of said chapter 29.

Each person whose name appears in the list prepared under the provisions of said section 25 shall be entitled to vote for Mayor and for two Aldermen to be elected to represent the ward in which his name appears in said list: Provided always that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion: Provided further, that in distributing into the respective wards of the new City the names appearing on the several voters' lists mentioned in said section 25, the Returning Officer shall have regard to the qualifications in respect of which such names were entered on such voters' lists, and in case no municipal record shall be produced to him in evidence of such qualification sufficient to enable him to determine to which ward any such names should in such manner be assigned, the Returning

Officer shall have power to require such evidence by statutory declaration, or otherwise, as he may deem proper, to show to which ward or wards such name should so be assigned; and in default of such evidence, after such notice, public or other, as he may deem sufficient, the Returning Officer may refuse or omit to enter such name in any ward except upon order under section 11 of the Municipal Elections Act, but shall forthwith enter it instead upon a list to be prepared by him of such names, and the persons whose names are so entered shall thereby become entitled to vote for Mayor, but not for Aldermen, of said new City.

The qualifications and disqualifications for nomination and election as Mayor and Aldermen respectively at the said first election, shall be those applicable by virtue of the "Municipal Clauses Act" in respect of elections subsequent to the first election.

The Mayor and Aldermen elected at the first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice shall be posted during that period in the manner provided by section 30 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination, at 2 o'clock P.M., announce the names of the persons put in nomination in that behalf as candidates for the offices of Mayor and Aldermen, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place at which the poll shall be so opened in the Municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of the election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Mayor and Municipal Aldermen respectively.

In the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said "The Corporation of the City of Grand Forks."

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the building in which the nomination shall be held, at two o'clock in the afternoon.

All the provisions of chapters 68, 143 and 144 of the Revised Statutes of British Columbia and amendments thereto shall apply to the Municipality of the new City, except when the provisions of such Acts are repugnant to the provisions of said chapter 29.

All rights and powers held, enjoyed or exercised by both or either of the said Cities of Columbia and Grand Forks by virtue of the Statutes under which they, or either of them, were incorporated, or by virtue of any other law or statute, and all rights and powers conferred by law or public statute now in force upon City Municipalities within British Columbia shall, upon incorporation, be forthwith vested in the new City.

NOW FURTHER KNOW YE that, under and by virtue of the powers conferred by section 13 of said chapter 29 of the Statutes of 1902, and of all other powers and authority in that behalf, and upon the nomination of the City of Columbia, we do hereby appoint Charles Hay, Esquire, John Aylmer McCallum, Esquire, and Isaac A. Dinsmore, Esquire, Commissioners for the purposes mentioned in said section 13 and other sections of said Act, and in Schedule A to said Act, and with the powers, authority and functions conferred by said sections and Schedule, and with such other powers, authority and functions as shall be found necessary to carry out said purposes and which We are authorised by said Act to confer.

The said Commissioners shall receive such reasonable remuneration for their services as shall be fixed under section 78 of chapter 187 of the Revised Statutes of British Columbia, which, by said chapter 29, is made applicable hereto.

Each Commissioner, before entering upon the duties of his office, shall give security to His Majesty the King for the due performance of his duties, and for the due accounting for all moneys received in the performance of said duties, by a bond of an incorporated Guarantee Company approved by the Lieutenant-Governor in Council, in the sum of five thousand dollars.

Forthwith after giving security as aforesaid the said Commissioners shall have, within the territory of the present City of Grand Forks, such powers and authority as are necessary or reasonably convenient for the purpose of carrying out the works within such territory expressly contemplated by the provisions of said Schedule A to said chapter 29, and subject thereto.

The Lieutenant-Governor in Council may at any time, upon cause assigned, cancel the appointment of any of the said Commissioners, and thereupon, or upon any vacancy occurring by reason of the death, resignation or refusal to act of any Commissioner, or otherwise, may appoint another in his stead from among the residents within the present limits of the City of Columbia, upon recommendation of the Board of Commissioners, and pending or in default of such appointment the remaining members shall exercise all the powers of the full Board.

The Commissioners shall make a report to the Minister of Finance or to the Commissioner of Public Works whenever and on such matters as shall be directed by the Lieutenant-Governor in Council.

All authority and functions vested in the said Commissioners shall cease so soon as the works mentioned in section 13 of said chapter 29, and in Schedule A in said chapter 29, are fully completed, and a proper report of said Commissioners shall have been accepted by the Lieutenant-Governor in Council.

These Letters Patent shall not extend nor be construed to extend to any franchise or privilege granted by the present City of Columbia or the present City of Grand Forks to any territory other than that to which it applied on the twenty-second day of April, 1902.

As soon as practicable the Council of the new City shall proceed to hold an election of a new Board of School Trustees for the new City in accordance with the provisions of the "Public Schools Act" and amending Acts. The day to be fixed by the said Council for said election shall not be later than the twelfth day of February, 1903.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the said Province to be hereunto affixed: WITNESS, the Honourable Sir HENRI GUSTAVE JOLY DE LOTBINIÈRE, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this thirty-first day of December, one thousand nine hundred and two, and in the second year of Our Reign.

By Command.
